

Pink Merlot 2010

Wine of Origin Stellenbosch

The Pink Merlot is our fun wine, a fruity-dry Rosé from Merlot grapes. It convinces with its joyfully bright pink colour, delicate berry flavours and a lingering aftertaste.

The vintage 2010 is made of specifically dedicated fruit from the lush parts of our vineyard, harvested two weeks before maximum ripeness for comparably lower alcohol, crispier acidity and fresher flavours. Meticulously sorted and carefully processed in the cellar like a top-notch white wine, it was slowly cold-fermented with special yeast to preserve the delicate fruit flavours.

This Rosé is the perfect wine for any occasion, as aperitif or as versatile companion to many dishes such as fish and shellfish, salads, even curries and any other summer meal. Or simply enjoy on its own as the ideal sundowner – to match the always-stunning pink sunsets of Africa!
